Have YOUR say about YOUR Village Hall and a chance to win £50!

Closing date Tuesday 21st June 2022

As you may know, our village hall is 90 years old and is in need of repair and renovation. The Village Hall Committee has received a grant from the National Lottery Community Fund to conduct a feasibility exercise of how best to improve the hall to better meet the needs of our community.

An important step in this project is to properly understand the needs and desires of the groups and hirers that have used the village hall in the recent past, and who might use it in the future. **We really want to hear the views of groups and hirers please**.

We will collate all views and publish the collated results on http://www.parracombe.org.uk. Individual responses will always remain anonymous. In addition, we will present this information back to a village meeting to be held during July – more details to follow. This meeting will be a vital step in deciding our next steps and developing a plan for the village hall to be renovated.

Finally, and to show just how much we want to hear from everybody, all completed forms will be entered into a prize draw for a £50 voucher for spending at the newly opened Parracombe Pavilion Stores & Café.

Thank you in advance for taking the time to complete this form.

Please tick the answers you think are relevant and add your own ideas if you wish.
